Personal Profile

I am a highly motivated and dedicated individual, currently pursuing a career in frontend development. With a passion for learning and a strong work ethic, I am continuously developing my skills in HTML, CSS, and JavaScript. I am eager to contribute my abilities while gaining further experience in the tech industry. Reliable, adaptable, and not afraid to ask questions, I thrive in both independent and team-oriented environments. I am seeking a position that will allow me to grow as a developer while offering my dedication, flexibility, and problem-solving skills to any team I work with.

Skills & Knowledge

Frontend Development

- Learning and building proficiency in HTML, CSS, and JavaScript.
- Passionate about user-friendly and visually appealing web design.
- Committed to continuously improving coding skills and staying up to date with industry trends.

Team Player

- Worked with the medical records team at Broadgreen Hospital, ensuring data confidentiality and accuracy during document scanning.
- Gained teamwork experience while working as part of the Liverpool Census team and at a recycling plant.

Communication Skills

- Effective verbal and observational communication skills honed through various job roles.
- Ability to communicate instructions clearly and collaborate with both customers and supervisors.

Health & Safety Awareness

- Trained in Health & Safety practices, always ensuring my actions promote a safe working environment.

Adaptability & Learning

- Quick to learn new skills and adapt to new challenges, whether technical or procedural.
- Comfortable working independently or as part of a team, taking responsibility and using initiative to solve problems.

Motivation, Reliability & Flexibility

- Consistently dependable with a strong work ethic, able to manage my own time effectively.
- Flexible and willing to take on new tasks to meet team goals and personal development.

Education & Training

Portsmouth University – BA in Animation (2nd year)
Myrtle Street College – BA in Graphic Design
West Derby Comprehensive School – General Education

To whom it may concern,

I am writing to express my interest in the frontend development position at your company. Your company's reputation for innovation and high-quality work aligns perfectly with my own values and career aspirations. I am confident that my developing skills in frontend development, combined with my creativity and work ethic, would make me a valuable addition to your team.

As outlined in my CV, I have a strong passion for web design and user experience, and I am eager to contribute to meaningful projects while growing professionally within your organization. I look forward to the opportunity to discuss how my abilities can contribute to your goals.

Please do not hesitate to contact me at 07543522986 or via email at ravn1982@gmail.com. I would love to arrange a time to discuss further.

Sincerely,
Kristian Ravn
